Revised Program Gives 23 Events For Meeting

Ladies' Dash, Roman Race, Patrolmen's Event and Polo Dash Included in Events for September Races — Reno Horses May Arrive in Time for Meeting—Many Improvement Made in Park at Present—Expect Large Number Entries

With the announcement that several of the best entries at Reno will arrive here this month for the big autumn meet, the racing enthusiasts are waiting for the announcement of the entire list that will come here from the Nevada metropolis. It's all a secret, and the owners have absolutely refused to give out any information as to what horses will be here.

There have been three or four of the horses of Honolulu at Reno at the recent meet, and it is rumored that each is trying to outdo the other. If this be so, then the horses brought here will be of the best, and Harold Giffard has started out with Furlong, one of the fastest horses running in the West. If the others can secure a horse to defeat Furlong, then we shall see some good racing this year.

Fast Workouts.

Many of the horses have been given workouts at the track, and in a morning gallop Golden Shower did the half in 51, while John Grace's Molliou stepped the four furlongs in 50. Oneonta has made 1.19 for six furlongs, while Umpqua did 1.01 in five furlongs. Albert Lyman will have an entry in the steeplechase race, a bay gelding which looks promising.

Will Owen, who has looked during the June meeting, will be entered in the two-year-old event, and many believe this horse will be the favorite. Deserve promises to come back and make a good showing, as in recent drives better than 2:20 has been made. Carmalita, in the Hawaiian-bred race, will be again to the front. In a recent turn she did 2:29, 2:31 and 2:32. Many improvements.

One of the features that has been much praised by the directors of the club is the plan to move the judges' stand after the races to allow the spectators in the stand to have an unobstructed view of the polo matches. Another disagreeable feature that is now remedied is the sand pits between the track and polo field. In the future horse power will not be needed to pull the cars out of the sand.

The committee has completed the program, a few changes taking place. Altogether the events are interesting ones, and the Ladies' Dash, Polo Bending Race, Patrolmen's Race and others promise to be attractive. With a fast field for each event the committee is assured that the autumn meeting will be a complete success. The complete program follows:

ST. LOUIS BEATS SHAFER SQUAD IN SUNDAY TILT

Teams Make Dozen Errors and Take 1 Hour and 50 Minutes to Stage Game

In a listless game the St. Louis team defeated the Shafter squad at Athletic Park yesterday afternoon. A dozen errors were made by both teams, while the pitchers were hit hard during the melee. Rowland and McDonald were the heavy hitters for the Shafterites, while the St. Louis team secured seven bingles, two of them by Bill Nye.

The game was one of the longest of the season, and the players did not show the usual amount of pep. No Hit Johnson did not live up to his reputation and was relieved by Simmons late in the game. Bill Janssen pitched fair ball for the Saints. The score of the fracas was as follows:

HILO MAN TELLS OF KUMAGAE IN TENNIS MATCHES

Steve Desha Sees Japanese Star Defeat "Peck" Griffin in Three Sets

(Special Star-Bulletin Correspondence)

Hilo, Aug. 11.—From Steve Desha of Hilo, who is now located in Washington studying law, comes an interesting letter in which he writes about many sporting events of interest.

"I just saw in an island paper that the Hilo rowing crews lost out by narrow margins in the two races that were rowed in Kaho Bay, July 4. I was sorry to see that the boys just managed to lose. However, I think they did remarkably well in the races and you can congratulate the rowers for me. Next time I feel sure that good old Hilo will do even better in the rowing races.

"Is there much tennis nowadays in Hilo? I hope so because the game is a splendid one. You should see the way the game is played all over the mainland where courts are to be found everywhere. At the present time there is much interest being taken in the doings of Kumagae, the crack Japanese tennis player who has just defeated Clarence J. Griffin, one of the representative Californian players. The Japanese won three sets straight, 6-2, 6-1, 8-6. It was a notable achievement for the Japanese and, although the result could not have caused a surprise, the comparatively easy manner in which Kumagae defeated Griffin caused considerable astonishment among the people who crowded the side lines and pavilion.

"For three-quarters of the contest Griffin was on the defensive. The Japanese was cool and aggressive and Griffin dared not try for his favorite position at the net, for Kumagae passed him time after time with wonderful shots.

"The Japanese player is a back-of-the-court man and he rarely comes to the net. His drives, both forehand and backhand, are marvelous, and he can find the side lines nine times out of ten. The ball, after leaving his racket, seems to loop the loop and there is absolutely no hint as to where the sphere is going at the time the stroke is made. The twist that Kumagae puts on the ball simply tied Griffin in a knot and he did not have a look in.

"It looks as if Kumagae will be soon ranked among the ten best players in America. A strange thing about the player is that he wears glasses all the time.

Turning to other subjects, Desha says that he went to Poughkeepsie to see the boat races and that he enjoyed the sport immensely. He had hoped to see Jack Moir but failed to do so.

Natators Have Merry Time In Swim Debate

Plan to Have All Honolulu Swimmers Join One Club Fails—Peace Meeting Held at Y. M. C. A. Saturday Evening—Natators Remain With Clubs—Soper Will Ask A. A. U. to Allow All Mermen to Compete as All-Hawaiian Relay Team

"On agin. Off agin. On agin. Gone agin. Flinnin'." This laconic despatch which rivals the message to Garcia and other famous flashes might be used in the case of the swimmers of Honolulu on Saturday afternoon. At one time during the day nearly every swimmer in town was a member of the Healanis, Hui Nalus, Sun Dodgers, Ancient Order of Neptune and Royal Clam Diggers' Union.

This all came about because a committee wanted to line up all the swimmers in Honolulu for one club in order to have world's records recognized by the A. A. U. At the present time a relay team, including Duke Kahanamoku, would have to swim as an All-Hawaiian team not as a club organization.

Talked It Over.

At a meeting Saturday evening Mayor John C. Lane, John Soper of the A. A. U., Harold Castle, George Cunha and Lew Henderson gave their views. A number of the swimmers met at the Y. M. C. A. and thrashed the thing out. It is certain that they reached the best solution of the problem for the good of swimming.

All voted to have the swimming clubs as they are at present with competition. Soper stated during the evening that he would write to F. W. Hubien, asking the A. A. U. secretary if it was not possible for a team here to swim as an All-Hawaiian relay organization.

In one sense a plan to place the members in one club would be a good thing, but on the other hand it would entirely do away with keen competition—the backbone of sport. Honolulu is away from the other swimming centers of America, and the clubs here must have competition to continue to give good racing programs.

World Boost Hawaii.

On the other hand with only a few people here as against the large numbers they are both good, heady players.

A GOOD FAN.

WHOLE WRECKING CREW.

Sporting Editor Star-Bulletin:
Sir: Have been reading some of the selections by interested fans of an all-star baseball team of Hawaii. Since none of them seem to me to include all of the men who are really stars, I myself would like to submit this line up to be published in your paper:

Rogan, p; Swinton, c; Hawkins, 1b; Pagan, 2b; Smith, ss; Moore, 3b; Crafton, lf; Gollah, cf; or Johnson; Ware, rf; or Cullens. Utility pitches Alston, Waterhouse, Jasper.

These men have demonstrated for the last three years that they are an all-star aggregation. To prove that they are all-stars let those who think different choose an all-star team from the various teams in Honolulu and arrange a game that will be well worth seeing.

Yours very respectfully,

A ROYAL ROOTER.
